

ANTIQUATED STRINGS

Page 01 ~ Top & Side elevation showing outside details

Print out the plan on A1 size paper 841 mm x 594 mm

Do Not Scale when printing

Overall dimensions

287mm x 216mm x 668mm

Use Planetary geared machine pegs "PEGHEDS". These pegs have a gear ratio of 4:1, giving a positive fine tuning of the main strings. This eliminates the need for a "tourne gauche". Use 6 x guitar "PEGHEDS" for the main tuners and 1 x 5th string banjo "PEGHEDS" for the Trompette adjustment.

Henri 3 Edition Renaissance Vielle

Two Octave Chromatic (3.50mm) scale with two Chanters, one Trompette one alto, one Tenor & a Bass drone. Developed & Drawn by Graeme McCormack October 2011
